Advanced Diagnostics & Therapeutics  
University of Notre Dame

Dear Yide Zhang,

Congratulations! We are pleased to offer you the Berry Family Foundation Graduate Fellowship, which will provide \$25,000 in stipend support for 12 months (August 2017 – July 2018). We hope this funding support will help you have a very productive year here at Notre Dame and that your interest in precision medicine related research continues to grow.

Sincerely,

Aaron Timperman  
Associate Director of Research  
Advanced Diagnostics & Therapeutics
